VOLUME 50

ELBA, ALABAMA, THURSDAY, JANUARY 16, 1947

NUMBER 32

**MARCH OF DIMES DRIVE
SET FOR JANUARY 15-30
MRS. BRUNSON DIRECTOR**

The 1947 March of Dimes
drive for funds for the Na-
tional Foundation for Infan-
tile Paralysis will be con-
ducted this year between
January 15 and 30. The drive
this year follows the worst
epidemic year since 1916.
There were 24,000 cases of
infantile paralysis during the
year 1916 and the Founda-
tion was fully prepared to
meet the epidemic. The per-
centage of complete recover-
ies from the disease was
higher in 1946 than ever be-
fore and correspondingly the
percentage of crippling after
effect was the lowest on
record.

The total quota for this
drive is \$12,000,000, of which
one half is for the National
Headquarters and one-half
goes to the treasury of the
local chapters of the Founda-
tion.

The drive this year in Coffee
County is under the di-
rection of Mrs. J. F. Brun-
son of Elba, and it is her de-
sire that the county's full
quota be raised, and commu-
nity chairmen are being se-
lected in every community
in the county. Each and
every citizen in the county can
help put the drive over by
making a voluntary offering.
If everyone gave a small
amount the quota would soon
be raised.

Mrs. Price Ringo is chair-
man for Elba and already
dime cards are being distrib-
uted to those children who
want to help in this cause.
Banks are also being placed
in business establishments
and advertising the drive is
on and will close on Janu-
ary 30. While much of the
fund will be raised by the
contribution of dimes, quar-
ters and half-dollars, folding
money in small and large
denominations will be very
acceptable. The collectors
will also be glad to accept
your check. Make your con-
tribution early and help put
the drive over on or before
January 30. Your contribu-
tion will help some unfor-
tunate child who might be
stricken during the year.

At present the department
is giving active supervision
to 83 children in the county
(whose families are not in
care of financial assistance)
but whose homes need super-
vision in order that the
children may not become de-
pendent or delinquent.

During the past 12 months
investigations have been
made on 294 new applica-
tions as well as 598 home
visits to families already re-
ceiving or approved in order
to determine their continuing
eligibility.

As applications are now
coming in at the rate of 30 or
more per month, and as visits
are required by law to be
made to all persons approved
for assistance at least once a
year, the department asks
for public understanding and
patience in getting applica-
tions completed. There are
only three case workers on
the staff including the direc-
tor which means that a pro-
digious amount of work has
to be handled by a very small
staff. As there are 83 applica-
tions approved but not re-
ceiving due to lack of funds,
the department also would
like to get across public in-
terpretation on this point so
that persons coming in to
apply will know about the
situation and will understand
why, when their application
is approved, they may have
to wait sometime before re-
ceiving assistance.

Grace M. Ebert,
County Welfare Director.

**PROGRESS NOTED BY
WELFARE DEPARTMENT
OVER PAST 5 YEARS**

In December 1941, 363 per-
sons were receiving assis-
tance at an average grant of
\$9.85. Total expenditure for
the month was \$3,516.04.
There were 109 persons ap-
proved for assistance but not
receiving due to lack of funds.

In December 1946 this
number had increased to:
569 persons received finan-
cial assistance at an average
grant of \$19.33 and a total
monthly expenditure of \$11-
366.00. 83 persons had been
approved but were not re-
ceiving due to lack of funds.

In December 1941 there
was one licensed boarding
home in the county in which
one child had received board-
ing care. By December 1946
we had four licensed board-
ing homes which has now
increased to five. During
the past five years 13 chil-
dren have received boarding
home care.

During the past five years
the department has made
investigation (acting as an
agent for the court) in 53
percent of court cases. In-
vestigations have also been
made on 25 petitions for
adoption.

At present the department
is giving active supervision
to 83 children in the county
(whose families are not in
care of financial assistance)
but whose homes need super-
vision in order that the
children may not become de-
pendent or delinquent.

During the past 12 months

made on 294 new applica-
tions as well as 598 home

ceiving or approved in order

NEW PEACH CROP
The unusually warm days
we have had during the past
several weeks has caused
growth of peach trees to be
advanced. The crop is esti-
mated to be 22 inches ahead
of the other, a Purple
Troy, was 22 inches ahead
and weighed 6 1/4 lbs. Mike
Taylor says it was not Luke's
good farming that caused
the peach crop to be so large,
but just the good "Taylor" seed
which he planted.

IF YOU NEED GLASSES

It Will Pay You to Wait For BARSON!

After all, it's the examination that counts. Correct, scientific examination of your eyes is the ONLY way to determine whether or not you need glasses.

My knowledge in fitting glasses, gained through years of practice, has given me a state-wide reputation. Among your relatives and acquaintances you will find somebody who will tell you how satisfactory my work is.

Because I specialize in this work only—scientific examination and proper fitting of glasses—you are assured of complete satisfaction.

PERDUE CLUB MEETS

The Perdue Home Demonstration Club met on Friday, January 3, at the home of Mrs. J. O. Sanders. Because of bad weather not many members were present. The lesson was a very interesting one on "Gardens" given by Miss Matthews.

A lovely quilt made by the members was awarded to Miss Ella Fair Boutwell—Mrs. M. M. Newsome, Rep.

Plant Evolution

Knowledge of modern horticulture and development of plant strains led scientists to estimate 20,000 years as the time required to produce from wild grasses the various kinds of corn we grow today.

ELBA STUDY CLUB HAD CHRISTMAS PARTY

The Elba Study Club had a Christmas party at the home of Mrs. J. O. Sanders, Mrs. W. C. Braswell assisted as co-hostess.

The rooms were made very attractive with holiday decorations. The center of interest was a silver Christmas tree with a large mirror above it. The dining table had a lace cloth over silver with a beautiful centerpiece of blue and silver.

Miss Eunora Farris was in charge of the program. She told about the origin of the different Christmas customs we observe and about the poem "The Night Before Christmas."

Miss Mabel Brunson read a Christmas story, "I shall behold Him." During the reading of the story musical parts were given by Mrs. L. S. Rainer, Mrs. T. D. Kendrick and Miss Eunora Farris.

Mrs. W. M. Rindolf accompanied them at the piano. Miss Hattie Mae Bullard was a guest performer and played beautifully "Clair De Lune" and another selection. This concluded the program.

Mrs. Gussie Hutchison dressed as Santa Claus distributed the gifts. She had an appropriate little speech to accompany each gift.

Because of the weather, refreshments were served by the hostesses to members and guests.

MUSIC LOVERS' CLUB MET IN COLLIER HOME

The December meeting of Elba Music Lovers' Club was at the home of Mrs. George Collier with Mrs. L. W. and Mrs. Fulton Spurlin, joint-hostesses.

The seasonal theme was centered in the decorations which were in crimson, white and gold. The mantel in the reception room being very attractive with greenery and colored ornaments. Other flower arrangements were placed at vantage points.

The Christmas tree with the lights and decorations enhanced the Christmas spirit.

A short business session was conducted by Mrs. A. C. Dunaway, president. Mrs. J. W. English, secretary, called the roll and read minutes.

Mrs. Dunaway also introduced the program for the afternoon and gave a very interesting talk on "When Handel's Messiah Was First Given."

Mrs. Jack Windham's paper on "Handel's Messiah Two Centuries Old" was very much enjoyed.

Christmas Carols sung by the club, led by Mrs. W. C. Braswell, concluded the program.

During the social hour the hostesses served a delectable salad plate further carried out the Christmas colors, with hot coffee.

JESUS INTERVIEWED BY NICODEMUS

MEMO TEXT—John 3:1-11, 17. Nicodemus, a Pharisee and a ruler of the Jews, came to Jesus at night to see him. Jesus said to him: "Thou art a teacher of Israel, and knowest not these things?"

How does one become a Christian? This was the question of Nicodemus, and it is the question of the hearts and minds of thousands in every generation. The answer is clear and definite.

The only entrance into the Christian life is by the door of the new birth. Repentance is the act of God whereby the divine nature is imparted to the believing sinner and he becomes the child of God.

Who has not entered by this way has not entered at all. He is still dead in trespasses and sins, and he is not a Christian.

The Pharisees who looked for the coming of the Messiah as a secular conqueror wondered at this new spiritual life.

Jesus, the child of God, came to this world to save sinners. He came to this world to reveal the Father and to bring glory to Him.

Jesus, the child of God, came to this world to reveal the Father and to bring glory to Him.

Jesus, the child of God, came to this world to reveal the Father and to bring glory to Him.

Jesus, the child of God, came to this world to reveal the Father and to bring glory to Him.

DID YOU FORGET TO RENEW YOUR PAPER?

Several weeks ago we sent card notices to all Clipper subscribers whose time was out in December. Many have already renewed, but there are a few who have not, and this notice is directed to all those who are yet behind. If you do not renew within the next few days we will be obliged to remove your name from our list. We are still having difficulty in securing an adequate supply of newsprint, and we simply cannot continue subscriptions indefinitely. If you want the paper to keep coming, RENEW TODAY!

MISS Nell English came over from Dothan to spend the week end with her parents, Mr. and Mrs. W. L. English and family.

Presumably, Americans will have to get along with even less grain and feed next year. He added that it is possible some shortages will extend into 1948.

The secretary emphasized the continued deficit in U. S. shipments of wheat, corn, meat and fat to famine areas, but expressed confidence that commitments for the period ending June 30 will be fulfilled.

Anderson blamed black market competition with the government for the shortage of meat and lard for export, and said a new slaughter system was being developed to increase the flow of animals into plants supplying the government.

MRS. YOUNG VISITS FROM ALBANY, GA.

Editor Clipper:

Please allow me space for a few lines. This has been a mighty nice year, a little cool. Georgia is supposed to be a colder state than Alabama, but this has been a very mild winter so far. We have had a nice rain which was appreciated by everyone. We are now entering another new year hoping it may be one of pleasure and happiness.

We had for our guests during the holidays, Mr. and Mrs. Milton Young and son, Howard, of Elba; Mr. and Mrs. Odell Cotney and girls, Betty, Nell, Daisy and Pat, of Opp; Mr. and Mrs. Carl Johnson and children, Arthur and Carolyn, of Orlando, Fla. We enjoyed having everyone of them. Our family, so far as we know, had a nice Christmas—no accidents or bad sickness, of which we are mighty thankful. I just wonder if we are thankful enough for the many things we are blessed with—I am afraid not.

Relieved money for our subscription for another year. We don't want to miss a single one of our old family papers. We look forward each week for the news from our old home town and community. Best wishes to everyone.

Mrs. L. F. Young.

Mr. and Mrs. Rufus Munn and daughter, Glenda Ann, of Millville, Fla., have been visiting their daughter and son-in-law, Mr. and Mrs. Harvey Mauldin, and Mrs. Munn's parents, Mr. and Mrs. G. M. Bradley, all of Elba, Route Three.

Mrs. Arkey Johnson has returned from New Orleans where she went to consult a specialist.

M. Sgt. and Mrs. Harlie B. Johnson returned to their home in Lockhart, Texas, Monday, after visiting relatives here.

Mr. and Mrs. J. M. Bowers and Mr. and Mrs. Maxwell Bowers, of Jay, Fla., were in Elba last week to attend the Tillman-Bowers wedding.

Food Shortages May Go to 1948

Even Greater Sacrifices May Be Called For.

WASHINGTON.—Secretary of Agriculture Clinton P. Anderson forewarned Americans that food shortages may continue into 1948 and that they would be called upon for greater sacrifices to help stem the march of starvation across the world.

Anderson sketched the nation's food situation in an impromptu address before the Rotary club in Washington.

He did not indicate the nature of the further sacrifices, but asserted that they would be necessary "in the near future."

Presumably, Americans will have to get along with even less grain and feed next year. He added that it is possible some shortages will extend into 1948.

The secretary emphasized the continued deficit in U. S. shipments of wheat, corn, meat and fat to famine areas, but expressed confidence that commitments for the period ending June 30 will be fulfilled.
